

Press Release

Spine Pain Management, Inc. Conference Call and Webcast Reminder and Instructions

Shareholder Conference Call: Spine Pain Management, Inc. will host an Investors Conference Call Thursday, April 14 at 4:15 PM EDT.

HOUSTON, April 14, 2011 -- Spine Pain Management, Inc., (OTC BB: SPIN) through its CEO, Dr. William Donovan would like to invite all Investors and interested parties to participate in the Company's first interactive phone and web-based conference call with PowerPoint presentation.

During the call Dr. William Donovan, Chief Executive Officer, and John Talamas, Chief Operating Officer, will review last years record financial results, discuss significant business developments, along with the Company's growth strategy ahead. After the formal presentation, questions will be addressed from call attendees.

Access to the Call:

The call will be video Webcast with a live PowerPoint presentation as well as accessible to those attendees using a phone alone. However, to use the phone alone access, there is a slight change to instructions given in the earnings press release dated April 8, 2011. Phone access alone will allow full audio of the call, but cannot be used to ask questions. To participate in the Q&A, using either phone or VOIP, an attendee must be properly logged into the Webinar Internet website link below.

To use the internet link, you must register prior to access. So we suggest you complete the registration and get your log-in information in advance of the start of the presentation. You can register for your log-in any time between now and the start of the presentation at 4:15 EDT.

Click or paste the link below in your browser for web access to the presentation:

<https://www3.gotomeeting.com/register/881548174>

Or if the above link doesn't work, please try the following:

<http://www.JoinWebinar.com>

Webinar ID: 881-548-174

Telephone Dial-in or VOIP with Q&A: To ask a question using your telephone, you must be online at the presentation site during the internet presentation where a unique Audio PIN# will be provided to you on screen after you log into the presentation area. During the presentation, all will be muted.

The Q&A will be moderated, but without an operator and will be open to all questions after the presentation. Instructions and a short tutorial video for pointers on how to use the Webinar can be accessed at this link:

<http://spinepaininc.com/webinar.php>

If using the telephone, but NOT also online, you will hear the presentation plus Q&A, but will be in "listen only" mode.

Conference Dial-in Number: (516) 453-0014
Participant Access Code: 296-775-302#

Conference Play Back

A video replay of the conference call presentation will be available shortly after the completion of the call at the Company website.

About Spine Pain Management:

Spine Pain Management is a medical marketing, management, billing and collection company facilitating treatment for patients who have sustained spine injuries resulting from traumatic accidents. Its mission is to deliver turnkey solutions to spine surgeons, orthopedic surgeons and other health care providers for necessary and appropriate treatment for musculo-skeletal spine injuries resulting from automobile and work-related accidents. The goal of the company is to become a leader in providing care management services to spine surgeons and orthopedic surgeons to facilitate proper treatment of their injured clients. By providing early treatment, the company believes that spine injuries can be managed, and injured victims can be quickly placed on the road to recovery. The company believes its advocacy will be rewarding to patients who obtain needed relief from painful conditions. The company provides a care management program that advocates for the injured victims by moving treatment forward to conclusion without the delay and hindrance of the legal process.

Additional information about the company, along with a video can be found at its website at www.spinepaininc.com.

Forward-Looking Statements: This press release includes forward-looking statements as determined by the U.S. Securities and Exchange Commission (the "SEC"). All statements, other than statements of historical facts, included in this press release that address activities, events, or developments that the company believes or anticipates will or may occur in the future are forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of the company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include general economic and business conditions, the ability to acquire and develop specific projects, the ability to fund operations, healthcare services demands, changes in healthcare practices, government regulation, and other factors over

which the company has little or no control. The company does not intend (and is not obligated) to update publicly any forward-looking statements. The contents of this press release should be considered in conjunction with the warnings and cautionary statements contained in the company's recent filings with the SEC.
